"What the heck is a Fix-a-Dressage-Test Clinic?"

After receiving your session reservation, you will be given a ride time for your session. Riders will receive one 25-minute session with Claudia Kleinsmith. Claudia will give you tips on how to plan and execute a successful warm up ride for you and your horse. She will observe your test and then give you insight on what to work on to improve your test and test score.

This is not a show; you will not be judged or given a score for your test. The cost of one 25-minute clinic session is \$50, and other training options are available so please inquire!

*Please make checks payable to: **Sweet Rock Stables***
