Benefit Trail Ride

Trotting for The Ta-Tas on Our Way to The Grand Nationals

Join us for a casual trail ride from Sweet Rock Stables in Manchester, MD, to Pretty Boy Reservoir and back! Trail ride proceeds will benefit the American Cancer Society's "MAKING STRIDES Against Breast Cancer" initiative and the Sweet Rock Stables Riding Club's Morgan Grand National Riders Fund. We will avoid crossing water and road bridges on this ride unless we have enough riders to split into two groups. Riders will enjoy lunch at Sweet Rock Stables at the end of the ride.
